RELEASE WAIVER

Please read carefully before signing.

I hereby authorize the Moberly School District to contact all persons and entities listed on this application and to make all other contracts, inquiries, and investigations that the District deems necessary to verify my education, employment, and criminal and child abuse history, including but not limited to contacting current and/or past employers, educational institutions, law enforcement, and child abuse agencies. I hereby consent to the release of any such information by third persons and I understand that the Moberly School District will keep such information in a confidential file, available only to appropriate District officials.

I hereby release the directors, officers, employees, and agents of both the Moberly School District and each of my past employers from any and all liability arising from disclosure of personnel records and from oral appraisals of my past performance made to the Moberly School District. My current and former employers and references may rely on a signed copy of this release.

I understand that employment with the Moberly School District is contingent upon the satisfactory completion of a criminal and child abuse/neglect record check. In accordance with Missouri law, this background check will include a complete fingerprint criminal record check. I further understand that in accordance with Missouri law, this criminal records check will result in the disclosure of both open and closed criminal records, including but not limited to, suspended impositions of sentence. An unsatisfactory report shall constitute cause for rejection of an application or immediate termination, if the applicant has been hired. Although the existence of an arrest, charge, plea, conviction, and/or sentence alone may not constitute an unsatisfactory report, the District has a compelling interest in ensuring the safety and welfare of its students. Therefore, the District is permitted by law, and has an obligation, to request criminal and child abuse/neglect information and official records for each applicant and employee, and to act in accordance with such information and official records.

I understand that neither this document nor any offer of employment from the District constitute an employment contract unless a specific document to that effect is executed by the employer and employee in writing.

I hereby certify that all information provided by me in connection with this application is true, accurate and complete.

I understand that any false, inaccurate, incomplete, omitted, or misleading information provided on this application, or on any other documents submitted in connection with this application or in subsequent employment interviews, shall be cause for refusal to hire, or if applicant has been hired, for immediate termination.

Caution: You must answer every question on the application accurately and completely. You will not be hired if you provide false or incomplete information. You will be dismissed if the false or incomplete information is discovered after you are hired. Under Missouri law, the School District can and will receive complete criminal records for all applicants.

Under Missouri law, the School District will receive information about both open and closed criminal records. If you have ever been told by an attorney, law enforcement officer, or any other person that you do not have to report an arrest, charge, suspended sentence, conviction, or any other type of criminal record - whether open or closed - on an employment application, **that advice does not apply to employment with school districts. You must report every open or closed criminal record on your application to this School District.**

You will not be excluded from employment solely because you report an open or closed criminal record. The School District will review the information you provide with respect to type and date of offense, relationship to the job for which you are applying, and other relevant information and determine what, if any, effect the record should have on your request for employment.

However, failure to report any criminal record - whether open or closed - will result in exclusion from hiring or discharge if you have already been hired.

If you are not sure whether something should be reported on the application, you must report it. The School District cannot accept reasons such as an applicant forgot about an arrest or offense or that the applicant did not know he or she was "actually arrested".

Dear Applicant;

Please review the following detailed memo in an effort to reduce any confusion. My goal is to explain the employment application/new hire process with the Moberly School District.

Along with the completion of the employment application and applicable resume and transcripts, we require two current letters of professional or personal reference as indicated on our employment application. The letters can be typed or handwritten; they must be signed; and they must accompany your application when submitted for employment consideration.

If your employment application is submitted without the required letters of reference, your employment application will be considered incomplete.

In addition, all candidates hired by the Moberly School District will be required to have a mandatory Department of Elementary and Secondary Education (DESE) background investigation. This must be conducted within two weeks of the official start date. The background investigation includes being fingerprinted at an approved facility. The cost of the background investigation will be at the expense of the new hire. This fee is not reimbursable by the Moberly Board of Education. Upon printing, IBT will provide a paid receipt for the printing fee. You must provide a legible copy of this receipt to my office as verification of your printing appointment.

If you have been fingerprinted and have received "clear" background results under another employer within the last 6 months of applying for employment with the Moberly School District, you must submit the DESE "clear" background results with your application of employment and other required documents. If your "clear" fingerprint results are older than six months, DESE requires that you be fingerprinted again for employment consideration with any new school district/new employer.

On the last page of the employment application information packet you will find a yellow colored sheet. This very important sheet contains detailed information regarding the mandatory fingerprint process. **Please keep this cover memo and the yellow sheet for future reference.**

Thank you in advance for your interest in employment with the Moberly School District.

Sincerely,
Katie Painter
