

Dear Parent/Guardian,

Our state education agency is providing one ACT test at no cost to all 11th graders. The test will be given on Tuesday, April 19, 2016. This is the date selected by our State education agency. Test results will be accepted by universities for the admission process.

The ACT Statewide testing will be administered at Moberly High School. Students should arrive by 7:35 AM on the 19th and check in through the main office to receive a visitor's pass. Test preparations will begin no later than 8:00 AM. ACT guidelines state that no one may be admitted to the test once test booklets have been distributed.

Please ensure your student(s) brings a current photo ID or driver's license, an ACT approved calculator, if available and No. 2 pencils (not mechanical) the day of testing. Information on ACT approved calculators and acceptable photo ids may be found at www.moberly.k12.mo.us/Act_Resources.html.

In order to participate in the April 19th ACT administration, students will also have to participate in a session to complete the non-test portions of the test. The non-test portion collects information such as the student profile and the ACT Interest Inventory. Your student will also have the opportunity to submit a list of up to four colleges they would like their ACT score submitted to. Please discuss this with your student so they are prepared to include those colleges on his/her paperwork. Information on ACT College Codes may be found at www.moberly.k12.mo.us/Act_Resources.html.

Non-enrolled students will complete the non-test portions on Wednesday, April 13, 2016 at 1:00 PM in the Moberly High School professional development room. The students must check in through the main office to obtain a visitor's pass.

Students that do not attend the session to complete the non-test portion, will not be able to participate in the April 19th testing.

This is a great opportunity for your student to take the ACT at no cost to you.
