NOTE: This is a BASIC list of supplies that will be used by your child in second grade. The descriptions in parentheses are placed there as a guide because teachers have found that the described items fit the needs of 2nd grade children. The above items may need to be replaced periodically as they are used, and it is expected that your child's teacher may also request additional supplies throughout the year. We appreciate your support as you purchase the supplies your child will need during the school year.
